PRIORITY REGISTRATION INFORMATION

If you are a returning group, you have until NOVEMBER 1 to turn in your registration form and deposit for next summer. After November 1, registration will be opened to anyone on a first come, first served basis.

You are only able to lock in next summer's registration for your existing session. If you would like to switch sessions, you can indicate that on the registration form, but we will not be able to confirm if you are able to switch until after the November 1 deadline for priority registration. If you would like to potentially switch, please still register for your existing session, but communicate that you would like to switch sessions if possible.
